Reaching Milestones!

Frensdorff Lodge is ready for use! Douglas County granted an occupancy permit in October after major renovations were made. That work included installing new energy-saving windows, a new forced-air furnace, an on-demand water heater, all new insulation and wallboard, a shower in the downstairs bathroom, new exterior doors and landings, and new carpeting.

Frensdorff Lodge is now a wonderful facility for small groups. It has a comfortable living/meeting room, a full-size kitchen, a dining room and a bathroom downstairs with two bedrooms and a bath upstairs. In November, the men's groups from St. Patrick's in Incline Village and St. Peter's in Carson City helped with painting the interior, staining the exterior, and refurbishing the wood floors. You are invited to come to Galilee and have a tour of our wonderful new facility.

Frensdorff Lodge

The Galilee Board of Trustees acknowledges and thanks the Galilee Foundation for designating over \$90,000 toward the completion of the Frensdorff project before the Foundation dissolved in 2007. The Board also recognizes Ben Turner, a St. John's parishioner and former Galilee trustee, who guided the project through the Tahoe Regional Planning Agency (TRPA) and the Douglas County permitting process.

Frensdorff Lodge Living Room

To put the finishing touches on this long-awaited project, Galilee will be fundraising during 2009 to provide window treatments and lighting throughout the lodge, to install flooring in the upstairs bathroom and to acquire furniture for the dining and bedrooms. The Board of Trustees is planning a dedication event next summer to recognize all donors to this achievement and to honor the lodge's namesake, Weslev Frensdorff, the VII Bishop of the Diocese of Nevada, who died in 1985.

To be included in the celebration next summer, just place your donation in the enclosed envelope and designate it for Frensdorff Lodge. Don't miss this commemorative and festive occasion!
