We are excited that you have signed up for one of our Family Camp programs at Camp Galilee! We are looking forward to spending the time with you. During the session your family will have opportunities to kayak on the lake, hike in the local woods, involve you and your family in an art project, and hear stories around the campfire. With our primary concern the health and safety of our camping families and staff, social distancing guidelines will be in place during your time here. More information will be sent to you soon, including well-ness check guidelines for just before you arrive at Galilee.

Here are some things to know before coming to camp.
