## Camper Agreement Section

I have read the letter for my session at Camp Galilee and am looking forward to my stay. I am willing and able to participate fully in all camp activities. I will do my best to work with others, to respect the property of Camp Galilee, other campers, and the camp staff. I will not bring alcohol, illegal drugs, or weapons to camp or use them while at camp. I understand that failure to live up to this agreement may result in early dismissal from Camp Galilee without a refund.

I understand that the kayaking and/or rock climbing, in which I may participate at Camp Galilee are strenuous physical activities presenting the risk of accident, injury, illness, or death. I also understand that no amount of supervision or care can eliminate the possible danger involved. For these reasons, I agree to be responsible for my own safety while participating in the kayaking and/or rock climbing activities and to follow carefully all instructions and procedures.
