

Hello Family Campers,

We are excited that you have signed up for the **Family Camp Session July 7-10** at Camp Galilee! We are looking forward to spending a few days with you. During the session your family will have opportunities to kayak on the lake, hike in the woods, play outdoor games, and hear stories around the campfire. Come with lots of energy and ideas, a desire to share and learn with others, and enthusiasm for building lasting friendships!

Here are some things to know before coming to camp.

\* **Registration will start at 1:00 PM on July 7<sup>th</sup>**. Check out time is **1:00 PM on July 10<sup>th</sup>**. Camp Galilee is a closed camp during the session and visitors are not encouraged.

\*The program for the Family Camp session will be fairly light to give families more time to be together. Some of the activities offered are archery, afternoon art projects, kayaking, swimming, and campfires.

\* Lake Tahoe can have cold weather all summer long, although most of the days are warm and the nights cool. Please come prepared for warm or cold weather.

\* We will continue to monitor best COVID practices being put out by the CDC, American Camping Association, and the State of Nevada. Once policies are put in place for this summer, we will be sure to get them out to you!
